

## Unique Investment Opportunity – Software Business

<b>Business Activities</b>	A SaaS (Software as a Service) product which is a “gaming platform”, where users across mobile network operators play an unlimited number of games during subscription periods while we deduct subscription fees directly from subscribers' balance via "carrier billing payment".
<b>Location</b>	Asia
<b>Turnover</b>	On request
<b>ROI</b>	On request
<b>Projects</b>	Emerging markets in the Middle East and African regions. Thus, there is an enormous pool of potential mobile subscribers out there that remains largely untapped.
<b>Description</b>	A fully customized web and mobile app's games portal and monetized via carrier billing, which is the most frictionless of payment mechanisms available to mobile users with a high potential market shift toward more digital and gaming platforms, so there is a big opportunity here to buy a business in the booming industry and already integrated with global mobile operators network. Individual users across mobile and web platforms can play amongst each other through this platform.
<b>Product type</b>	Design, estimation, execution of MEP projects. Manufacturing of HVAC accessories. Providing annual maintenance solutions. Switchgear and panels assembly.
<b>Customers</b>	EBITDA can be in excess of USD 1 million annually.
<b>Sales Reason</b>	On request
<b>Percentage for sale</b>	Minority stake
<b>Investment Opportunity</b>	Solid investment with big growth potential
<b>Procedure</b>	Detailed information available after signing the NDA.
<b>Contact</b>	+971 4 770 1056
