### EVERGROWTH BIOHEALTHCARE CAPITAL, LLC

Biotech Hedge Fund

Managed by Evergrowth BioHealthcare Advisors, Evergrowth BioHealthcare Capital is a Delaware-incorporated emerging growth biotech hedge fund with a unique edge in binary event forecasting. This entails either an FDA approval or a significant clinical data release, which tends to catalyze substantial share price movements.

The fund strategically invests in clinical-stage and early product-stage public biotech equities. Positioned to outperform market benchmarks such as the Nasdaq Biotechnology Index (NBI), Dow Jones Industrial Average (INDU), and S&P500 (SPY) in the long term, we aim to deliver superior returns for our investors.

Our Team is thrilled **to present details about the fund including emerging trends in biotechnology innovation and how the fund provides golden opportunities for accredited investors and institutions.**

We look forward to answering any question and having further discussion with interested persons (or "parties").

GENERAL MANAGER  
TANARUZ BOATS

### TANARUZ BOATS

3D Printing

Tanaruz Boats presents an exciting investment opportunity in the realm of 3D printing, offering a unique approach to luxury leisure boat manufacturing. Based in Rotterdam, The Netherlands, Tanaruz Boats specializes in designing, developing, and printing small-scale leisure boats from recycled plastics. With a commitment to sustainability, the company prioritizes eco-conscious practices in both design engineering and production processes, aiming to minimize its carbon footprint while delivering high-end products.

**At Tanaruz Boats, we are seeking investment to support our journey from startup to scale-up. We offer various investment options, including bonds, liens on new printers, or efficient loan structures with flexible durations. Additionally, investors can benefit from discounts on boat purchases as part of our investment package.**

Our organization boasts a talented team comprising designers, engineers, sales managers, and a general manager, supported by advanced technology such as our robotic 3D printer—one of the largest in Europe. This cutting-edge equipment enables us to streamline prototyping processes, allowing for rapid iteration and optimization of designs. With all development activities conducted in-house under one roof, we maximize efficiency and maintain full control over the production process.

Investing in Tanaruz Boats means aligning with a forward-thinking company dedicated to pushing the boundaries of sustainable manufacturing in the leisure boating industry. Our commitment to innovation, quality, and environmental responsibility positions us as a promising venture poised for growth and success.

Private Equity, Sector-Agnostic

Tactical Management is a private equity firm specializing in turnaround investments. We seek opportunities to invest in underperforming companies, focusing on carve-outs from large corporations and companies facing special situations. **Our investment criteria include companies with an annual turnover below \$100 million, low profitability, and a scalable B2B business model.**

As turnaround investors, we actively manage our investments from acquisition to exit, implementing strategic initiatives to drive operational improvements and generate value. With a hands-on approach, we work closely with portfolio companies to optimize their performance and unlock their full potential.

Tactical Management operates as an owner-managed private equity firm, strategically managing funds to strategically invest in companies and oversee their operations. Our team brings extensive expertise and a proven track record in navigating complex turnaround situations, delivering superior returns for our investors.

Investing with Tactical Management offers the opportunity to participate in a dynamic investment strategy focused on revitalizing businesses and creating value. Join us in our mission to transform underperforming companies and drive positive change in the market.
